Additional costs may include: vet, farrier, shavings, feed, hay, tack stall, etc.

Students of RPF are NOT REQUIRED to show but are strongly urged to do so. Horse shows are a great way to track your progress and can be a lot of fun! Anyone can compete at “B” and “C” rated shows. If you are interested in competing on the “A” and “AA” circuit, you must consider purchasing or leasing your own horse.

Each horse show has divisions that allow riders of most levels to compete, however, some students may not be ready. RPF will determine which students are ready and which ones may need a few more months of lessons to compete. Please keep in mind that we emphasize good sportsmanship and good horsemanship over anything else. Those students who demonstrate foul behavior or attitude will NOT be able to compete again until they have proven to us that they can behave in a more graceful manner. RPF has never had a problem with foul behavior or attitude so let’s continue this tradition. And remember, our horses comfort comes before our own at home and at horse shows.

Please also note that sometimes unexpected situations may arise. This includes but is not limited to: show cancellation due to weather or other events, mechanical problems with trailers or vehicles, schedule changes, horse health issues (lameness, loss of shoes, colic, etc) and other events. Please note that we will do the very best we can to remedy any problems that may arise, however, sometimes this means we need to change our plans. Be aware of this and know that you are still expected to pay amounts owed for services rendered. We will only charge for services rendered to make sure that it is fair.

Good luck to all of our competitors!
